

Advising & Tutoring Visit Worksheet

Prepare, take notes, and plan next actions. Do not include patient information.

OPAQUE SESSION CODE (assigned when attached): _____

1 Before the visit — What would make this conversation useful?

Questions or context I want to remember

2 During the visit — Key ideas, resources, or referrals

3 My next action

Who can help?

Target date: _____ How I will know it is complete: _____

To attach a handwritten copy, scan every page and provide only the session code to authorized OACA staff.

Staff must verify OCR before any structured record or analysis is updated.
